Sir/Madam:

**REQUEST FOR ACKNOWLEDGMENT OF CLAIM FOR PRIORITY**

Applicants are in receipt of the Notice of Allowance and attached Notice of Allowability dated April 25, 2006.

Applicants have claimed priority based on United States Patent Provisional Application No.60/391,172 filed on June 26, 2002. The first paragraph of the present application, the Patent Application Transmittal filed in the present application, and the Declaration filed in the present application all contain reference to this claim for priority. The filing receipt does not reflect the claim for priority. To date, the United States Patent and Trademark Office has not acknowledged the claim for priority to the priority document.

The Examiner is respectfully requested to issue a Supplemental Notice of Allowability acknowledging receipt of the claim for priority and/or a Corrected Filing Receipt. Applicants also request that the claim for priority to appear on the face of the issued patent.

Respectfully submitted,
